

The **Northern Football Netball League (NFNL)** invites applications for a full-time role for a 12-month contract period of **Club Support & Partnerships Coordinator**.

The NFNL is seeking a **Club Support & Partnerships Coordinator** who will deliver outcomes based on the league's club development, commercial and business objectives.

The successful applicant will be responsible for managing the relationships with current NFNL partners, as well as generating new revenue streams through external resources, whilst continuing to build the NFNL brand through its football and netball operations.

Written applications should address the following key selection criteria:

- Club development and governance
- Community engagement and participation initiatives
- Experience in developing and managing stakeholder relationships
- Strong commercial and negotiation skills
- Excellent marketing, communication and presentation skills

The position will be based in the NFNL office at La Trobe Sports Stadium, Bundoora and a competitive salary package will be negotiated with the successful applicant commensurate with skills and experience.

A position description can be obtained from the Northern Football Netball League website [www.nfnl.org.au](http://www.nfnl.org.au).

Written applications must be received by email via the address supplied below by close of business on **Sunday 19 December 2021**.
